

# MADE FOR VICTORY®

Made For Victory® accessories are developed exclusively for Victory Motorcycles® through partnership collaborations with leading accessory manufacturers that share our vision to provide the best products to riders. These partnerships reinforce our commitment to offer an extensive selection of custom accessories that deliver on style, performance and enhance the Victory riding experience.

A Made For Victory® endorsement signifies that we approve the use of these products on Victory® motorcycles, applicable quality, emissions and safety requirements have been met, and your motorcycle warranty will not be impacted with the addition of these aftermarket products.

**Performance Machine®** is a leader in the motorcycle aftermarket industry known for manufacturing the finest wheels in the market. The Performance Machine® brand represents quality, style, and function supported by innovative design.

**Mustang®**, a U.S. manufacturer since 1980, is the leader in aftermarket motorcycle seats with a focus on design, comfort and customer satisfaction.
