

LONG RIDE. LOUD MUSIC.

Enjoy surround sound on the road with a set of Extreme Saddlebag Audio Lids. These factory color-matched saddlebag lids are ready for Extreme Saddlebag Audio Speakers (sold separately). Audio from the lids complements sound from fairing & trunk speakers for full-scale, high-quality audio. Upgrade fairing audio system by installing the Cross Country® Extreme 6 Speaker Audio Kit (sold separately) in place of the stock fairing speakers.

1 SELECT YOUR EXTREME SADDLEBAG AUDIO LID COLOR – 2880650-XXX
